The Santa Ynez Band of Chumash Indians (Tribe) supports modernizing the Licensed Indian Traders regulations. Indian Country makes America's economy stronger and deserves the right to self-determination, self-governance, and certainty in tax jurisdiction in regards to economic activity.

In addition, the Tribe joins in those comments by the native American Financial Officers Association (NAFOA) in their comments on Modernizing the Indian Trade and Commerce Regulations (Docket:BIA-2016-0007).
